EMERGENCY ORDER (2020-2) FOR CONTROL OF PANDEMIC
Required monitoring at Childcare Centers

This Order is made pursuant to Section 2453 of the Public Health Code, being MCL 333.2453.

Matters concerning the public health of the residents of Oakland County have been brought to the attention of the Oakland County Local Health Officer. The Local Health Officer has determined that controls are necessary to reduce transmission of COVID-19 to protect the public's health of Oakland County based on the following facts:

1. A biological agent or the effects of a biological agent have been detected within **Oakland County**
2. A communicable disease **Coronavirus which causes COVID-19** has been identified that can be transmitted from person to person.
3. In order to control and limit the spread of the communicable disease, it is necessary to prevent infected people from coming into contact with uninfected people.

It is hereby ordered that:

1. All Childcare Centers develop and implement a daily screening program for all staff, children, parents, and visitors. Restrict all non-essential visitors from the daycare.
2. The screening criteria must include the following:
 - a. symptoms of a respiratory infection, such as fever, cough, shortness of breath, or sore throat; and
 - b. close contact in the last 14 days with someone with a confirmed diagnosis of COVID-19.
 - c. Procedures must be in place to take the temperature of all covered individuals.
3. The contents of this Order shall be published at entrance of the facility and to the members of the public at large by all reasonable means available.
4. The contents of this Order shall be published to the members of the public at large by all reasonable means available.
5. This Order shall become effective on **March 23, 2020 at 6:00 am** and shall be effective until **April 17, 2020**.
