

Child Care Today

Summer 2023 Published by the Oakland County Child Care Council

Munching & Learning Together!

What a lovely time we had on June 3rd in Waterford! We learned so much about ourselves and others, and were empowered to use the information on culturally responsive care in both our professional and personal lives! We're so grateful to all the attendees for sharing their stories and experiences! Special thanks to Tiffany Wright Ofeimu from Oakland Community College for imparting her wisdom and knowledge, and inspiring us with her passion for our early childhood profession! It was a beautiful experience, with plenty of food, fun and comradery!

Wanted: Volunteer Board/Committee Members HELP OAKLAND 4C!

We're looking for a few talented and conscientious volunteer board and committee members to strengthen our services to the child caring community. Get in touch if you can contribute your time, thoughtfulness, and leadership approximately an hour per month for one of the following committees: governance, finance and audit, development and fund-raising, and programs and services. We are also adding members to our Board of Directors! If you are interested in exploring either opportunity, send us an email at info@oaklandchildcare.org!

Strength lies in differences, not in similarities.

Professional Development

Child Care Provider Services

Professional Development Courses

Whether you operate a small home business, take care of a relative's child or work in a large child care center, we have something to offer you. A selection of courses include: child development, caring for infants and toddlers, developing learning tools and teaching resources, planning learning activities for children, working with children who have special needs, and job duties of a child care administrator. Students can also earn college credit or training hours towards a Child Development Associate (CDA) Credential. Classes are always offered online, and may be held at various locations within the county.

Technical Assistance and Consultation

We offer opportunities for CDA candidates to receive technical support and assistance with their Professional Portfolio and Competency Statements, and lend an ear when you need support.

Networking Opportunities

Meet with other child care providers in your area. Share your challenges and successes. Find new friends, discover resources, and enjoy social get-togethers.

Community Resources

We offer information about child development, activities for children, health and safety issues, nutrition, and running a successful business.

Online Payment

If you use our online payment system, your information will be used as your registration for the course. If the course is filled you will be notified and your full payment will be returned to you by check or reversed to your credit card.

Online Class Procedure

Once you pay and are placed in an online class, you'll receive a user name and password with instructions to access the course within 24 hours of the course start date. Online courses will be available beginning at noon on the scheduled date.

CDA Classes Online

There are 8 total CDA classes and each class is 15
