Somerset ECC

City: *

Rochester Hills

Position/Job Title: *

Preschool Teacher

Job Description: *

Preschool Teacher (Rochester Hills)

NAEYC Accredited Early Childhood Program seeks a Full-Time Preschool Teacher

Hours: Monday-Friday (8:30-4:30pm)

School Year: Mid-August – Mid-June – Position open now – Winter 2024

Job Type: Full Time or Part Time

Pay: \$18.00 - \$21.00 per hour, based upon experience

If you are interested in teaching in a school where your ECE skills and knowledge are valued and enhanced, give us a call! We are looking for teachers who are motivated to continue to learn, grow and become a long-term colleague in a staff of highly qualified, professional early childhood educators dedicated to providing the best possible EC experience for young children. Our administrators are career EC specialists who strive to maintain a work environment for staff that supports their efforts to grow and to function at their highest level, and that encourages them to have a voice in policy and curriculum development.

Qualifications:

- CDA, 2 or 4-year college degree in Early Childhood Education (ECE) or a related field is required
- Interested applicants with Elementary Education degrees may also apply

Essential qualities and experience include:

- A high level of respect for young children
- A commitment to continuous life-long learning in the area of ECE
- Effective child observation and assessment skills
- Early literacy knowledge and experience
- Demonstrated experience developing and maintaining a developmentally appropriate, inquiry-focused, project-based classroom
- Strong communication and collaboration skills
- A desire to make a positive contribution to a highly professional ECE team

Somerset is known for:

- High quality ECE program
- Diverse family population
- Longevity of our teaching staff
- Strong reputation in community
- Founded in 1982
- Highly qualified and experienced staff

Working at Somerset would be an excellent match for the Early Childhood educator or who desires to work with a highly professional team and is interested in staying current in the areas of research and best practices in Early Childhood Education.
