

Child Care Today

Winter 2024 Published by the Oakland County Child Care Council

Wanted: Volunteer Board/Committee Members to Shape the Future!

We want your input into what you need to do your best work and feel valued! Do you have a desire to connect with other child care providers in your area, to share your challenges and successes, find new friends, discover resources, and perhaps enjoy social get-togethers? We're looking for child care staff members/directors/owners to provide feedback and support to strengthen our services to the child caring community. Please reach out if you can contribute your time, thoughtfulness, and leadership approximately an hour per month toward the Council's future governance, finance, fund-raising, and programs and services. This could take the form of being a board member, or sharing your input on a committee. If you are interested in exploring either opportunity, send an email today to sallen@oaklandchildcare.org!

Need to Earn the Child Development Associate Credential (CDA)?

In partnership with Oakland Schools we can provide free support to Early Childhood Professionals working at any licensed center in the Oakland Schools service area to pursue the Center-Based Preschool CDA! Email your name and program name with location to sallen@oaklandchildcare.org and we'll share the application link. Once the application is approved, Oakland Schools will notify us of eligibility. Don't work in Oakland County, or working in a different setting? We can still offer support with our fee-based options! Contact us today! We would love to help you advance in the early childhood field!
